

**NOTICE OF DETERMINATION**  
**CORE PARTICIPANT APPLICATION**  
**MODULE 2 - COVID-19 BEREAVED FAMILIES FOR JUSTICE CYMRU**

**Introduction**

1. In my [Opening Statement](#) on 21 July 2022, I explained that Modules would be announced and opened in sequence, with those wishing to take a formal role in the Inquiry invited to apply to become Core Participants for each module. On 31 August 2022, the Inquiry opened Module 2 and invited anyone who wished to be considered as a Core Participant to that Module to submit an application in writing to the Solicitor to the Inquiry by 23 September 2022.
2. On 23 September 2022 the Inquiry received an application from Covid-19 Bereaved Families for Justice Cymru ('CBFJ Cymru') ("the Applicant") for Core Participant status in Module 2. This Notice sets out my determination of the application.
3. The Inquiry has published the [Provisional Outline of Scope](#) for Module 2, which states that this module will examine the decision-making by the UK Government during the Coronavirus pandemic. Further modules will be announced and opened in due course, to address other aspects of the Inquiry's Terms of Reference.

**Application**

4. Applications for Core Participant status are considered in accordance with Rule 5 of the Inquiry Rules 2006, which provides:

*5.—(1) The chairman may designate a person as a core participant at any time during the course of the inquiry, provided that person consents to being so designated.*

*(2) In deciding whether to designate a person as a core participant, the chairman must in particular consider whether—*

- (a) the person played, or may have played, a direct and significant role in relation to the matters to which the inquiry relates;*
- (b) the person has a significant interest in an important aspect of the matters to which the inquiry relates; or*
- (c) the person may be subject to explicit or significant criticism during the inquiry proceedings or in the report, or in any interim report.*

*(3) A person ceases to be a core participant on—*

- (a) the date specified by the chairman in writing; or*
- (b) the end of the inquiry.*

5. In accordance with the approach set out in my Opening Statement and the Inquiry's [Core Participant Protocol](#), I considered whether the application fulfils the requirements set out in Rule 5(2) in relation to the issues set out in the Provisional Outline of Scope for Module 2.

### **Summary of Application**

6. CBFJ Cymru is a branch of the wider UK group Covid-19 Bereaved Families for Justice (CBFJ) and represents relatives of individuals who died from Covid-19 in Wales. The application sets out the previous interaction of the Applicant Group with the Inquiry, including the representations made (through the Welsh Government) in relation to its draft Terms of Reference. The application states that the Applicant Group has a significant interest in Module 2 on the basis that it is a group comprised of those who were affected in their own right by decisions made at a UK and national level impacting on Wales and who experienced the loss of loved ones affected by those decisions. Further, the application states that CBFJ Cymru has played a direct and significant role in relation to the matters to which Module 2 relates, namely that it has been at the forefront of putting Welsh and UK Government decision-making impacting on Wales under scrutiny and has in depth knowledge which will assist the Inquiry.

### **Decision for the Applicant**

7. I wish to reiterate my deep sympathy to each and every individual who has experienced the tragic loss of a loved one as a consequence of the Covid-19 pandemic. The Core Participant Protocol provides that while I am bound to consider

the factors set out in Rule 5(2), it is also open to me to take into account other relevant matters. I am also not obliged to designate a person or organisation that meets the criteria set out in Rule 5 of the Inquiry Rules as a Core Participant. It further explains that I particularly invite applications from groups of individuals and organisations with similar interests, rather than from individual persons and organisations and that the designation of Core Participant status to groups representing the interests of more than one person would assist the fair and efficient running of the Inquiry. I additionally have regard to my duty to act with fairness and with regard to the need to avoid any unnecessary cost to public funds.

8. I have considered with great care everything that is said in the application. Having done so, I am minded, in my discretion, to designate CBFJ Cymru as a Core Participant in Module 2. For a number of reasons I consider that the CBFJ Cymru group is well placed to assist the Inquiry to achieve its aims by representing the collective interests of a broad spectrum of those bereaved by Covid-19 in Wales, in relation to Module 2, having regard to the need to manage the Inquiry effectively and efficiently. This is because CBFJ Cymru can assist the Inquiry in understanding the perspective of the bereaved in Wales, when it examines the UK's core political and administrative decision-making in response to the Covid-19 pandemic, without considering in detail any individual cases of harm or death.
  
9. The Inquiry will listen to and consider carefully the experiences of bereaved families and others who have suffered hardship or loss as a result of the pandemic. I made clear in my Opening Statement that this listening exercise is a significant and important task which will lead to summary reports of the impact of the pandemic on those who come forward to be used as evidence during the Inquiry's module hearings. It will be run in such a way that as many people as possible who wish to share their experience may do so.

### **Legal Representation**

10. Applications for designation as the Recognised Legal Representative of a Core Participant are governed by Rules 6 and 7 of the Inquiry Rules 2006, which provide:

6.—(1) *Where—*

- (a) a core participant, other than a core participant referred to in rule 7; or*
- (b) any other person required or permitted to give evidence or produce documents during the course of the inquiry,*  
*has appointed a qualified lawyer to act on that person’s behalf, the chairman must designate that lawyer as that person’s recognised legal representative in respect of the inquiry proceedings.*

7.—(1) *This rule applies where there are two or more core participants, each of whom seeks to be legally represented, and the chairman considers that—*

- (a) their interests in the outcome of the inquiry are similar;*
- (b) the facts they are likely to rely on in the course of the inquiry are similar; and*
- (c) it is fair and proper for them to be jointly represented.*

*(2) The chairman must direct that those core participants shall be represented by a single recognised legal representative, and the chairman may designate a qualified lawyer for that purpose.*

*(3) Subject to paragraph (4), any designation must be agreed by the core participants in question.*

*(4) If no agreement on a designation is forthcoming within a reasonable period, the chairman may designate an appropriate lawyer who, in his opinion, has sufficient knowledge and experience to act in this capacity.*

11. I am satisfied that CBFJ Cymru has appointed Craig Court of Harding Evans as its qualified lawyer in relation to this Module. I therefore designate Craig Court as CBFJ Cymru’s recognised legal representative in accordance with Rule 6(1).

12. Directions will be given in relation to applications for an award under section 40(1)(b) of the Inquiries Act 2005 of expenses to be incurred in respect of legal representation, at the forthcoming preliminary hearing. I will determine any such applications in accordance with the provisions of section 40 of the Inquiries Act 2005, the Inquiry Rules 2006, the [Prime Minister’s determination](#) under section 40(4) and the [Inquiry’ Costs Protocol](#).
