

**NOTICE OF DETERMINATION
CORE PARTICIPANT APPLICATION
MODULE 2A - UK CINEMA ASSOCIATION**

Introduction

1. In my [Opening Statement](#) on 21 July 2022, I explained that Modules would be announced and opened in sequence, with those wishing to take a formal role in the Inquiry invited to apply to become Core Participants for each module. On 31 August 2022, the Inquiry opened Module 2A and invited anyone who wished to be considered as a Core Participant to that Module to submit an application in writing to the Solicitor to the Inquiry by 23 September 2022.
2. The [Provisional Outline of Scope for Module 2A](#) provides that this module will examine the decision-making by the Scottish Government during the Coronavirus pandemic. Further modules will be announced and opened in due course, to address other aspects of the Inquiry's Terms of Reference.
3. On 5 October 2022 the Inquiry received an application from the UK Cinema Association ("the Applicant") for Core Participant status in Module 2A.
4. I made a provisional decision not to designate the UK Cinema Association as a Core Participant in Module 2A, thereby declining the UK Cinema Association's application ("the Provisional Decision"), on 13 October 2022. The UK Cinema Association was provided with an opportunity to renew the application in writing by 12 noon on 20 October 2022.
5. The Applicant did not renew the application by the prescribed deadline. Accordingly, this Notice sets out my final decision on the application.

Application

6. Applications for Core Participant status are considered in accordance with Rule 5 of the Inquiry Rules 2006, which provides:

5.—(1) The chairman may designate a person as a core participant at any time during the course of the inquiry, provided that person consents to being so designated.

(2) In deciding whether to designate a person as a core participant, the chairman must in particular consider whether—

- (a) the person played, or may have played, a direct and significant role in relation to the matters to which the inquiry relates;*
- (b) the person has a significant interest in an important aspect of the matters to which the inquiry relates; or*
- (c) the person may be subject to explicit or significant criticism during the inquiry proceedings or in the report, or in any interim report.*

(3) A person ceases to be a core participant on—

- (a) the date specified by the chairman in writing; or*
- (b) the end of the inquiry.*

7. In accordance with the approach set out in my Opening Statement and the Inquiry's [Core Participant Protocol](#), I have considered whether the application fulfils the requirements set out in Rule 5(2) in relation to the issues set out in the Provisional Outline of Scope for Module 2A.
8. I have taken into account all of the information which the Applicant has relied upon. The fact that I have not, in making this determination, referred to every matter which is set out in the application does not mean that I have not considered it. The summary below is intended to capture what appear to be the most important points made in support of the application.

Summary of Application

9. The UK Cinema Association (the trade body representing the overwhelming majority of UK cinema operators) states it was the key contact point for officials in the Department for Digital, Culture, Media and Sport and their counterparts in the devolved administrations for all matters related to the impact of the pandemic on UK

cinemas. The application states it will be able to provide a unique perspective on some of the impact of decisions to impose restrictions upon venues and their ability to open and the financial support provided to the industry.

Decision for the Applicant

10. I have considered with great care everything that is said in the UK Cinema Association's application. Having done so, in my discretion, I consider that the UK Cinema Association does not meet the criteria set out in Rule 5 for designation as a Core Participant in Module 2A and, therefore, I have decided not to designate the UK Cinema Association as a Core Participant in Module 2A.
11. Having regard in particular to the need to manage the Inquiry effectively and efficiently, I do not consider that the Applicant's role, as set out in the application, was sufficiently significant as to grant it Core Participant status in this Module. Whilst the Applicant's members were significantly affected by core political decision making, it cannot be said that it played a direct role in decision making in Scotland in response to Covid-19.
12. Furthermore, I do not consider, in any event, having regard in particular to the need to manage the Inquiry effectively and efficiently, that its interest in decision making by the Scottish Government is sufficiently significant as to grant it Core Participant status in this Module. I am determined to run the Inquiry as thoroughly and as efficiently as possible, bearing in mind the Inquiry's wide-ranging terms of reference and the need for the Inquiry process to be rigorous and fair. Given the vast numbers of people who were involved with, or adversely affected by, the Covid-19 pandemic, very many people in this country could potentially have an interest in it and not everyone can be granted Core Participant status for the purposes of the Inquiry hearings.
13. In my Opening Statement, I said that I will publish more information about the issues intended to be covered by later modules in the coming months. The Applicant may wish to consider applying for Core Participant status in relation to future modules which are of relevance to them.

14. It is also not necessary for an individual or organisation to be a Core Participant in order to provide evidence to the Inquiry. The UK Cinema Association may have relevant information to give in relation to matters being examined in the Inquiry and the Inquiry will be reaching out in due course to a range of individuals, organisations and bodies to seek information, to gain their perspective on the issues raised in the modules and, where appropriate, to ask for witness statements and documents.
15. The Inquiry will also listen to and consider carefully the experiences of bereaved families and others who have suffered hardship or loss as a result of the pandemic, through the listening exercise. I made clear in my Opening Statement that this listening exercise is a significant and important task which will lead to summary reports of the impact of the pandemic on those who come forward to be used as evidence during the Inquiry's module hearings. The applicant and those it represents will have the opportunity to contribute to the Inquiry, through the listening exercise if they choose.
16. For all of those reasons, having considered all of the information provided by the UK Cinema Association, in light of the Provisional Outline of Scope for Module 2A, I consider that the UK Cinema Association did not play a direct and significant role in relation to the matters sought to be investigated in Module 2A, nor does the UK Cinema Association have a significant interest in an important aspect of the matters to which Module 2A relates. I have therefore decided that the UK Cinema Association should not be designated as a Core Participant in Module 2A and I confirm that this is my final decision.
17. I will keep the scope of Module 2A under review. My decision not to designate the UK Cinema Association as Core Participants in Module 2A does not preclude it from making any further applications in respect of any later modules. The UK Cinema Association may wish to consider applying for Core Participant status in relation to future modules likely to deal more directly with the matters which have been referred to in the application. I will consider any future applications the UK Cinema Association may wish to make on their merits at the time they are made.
