

OFFICIAL - SENSITIVE

PUBLIC HEALTH ENGLAND
EPRR OVERSIGHT GROUP MEETING

6th October 2017

**Public Health England Response Plan for Possible, Presumptive and
Confirmed Middle East Respiratory Syndrome Coronavirus (MERS-CoV)
Cases**

Presented by: Nick Phin

1. **PURPOSE OF THE PAPER**

1.1 The purpose of this document is to outline the processes by which PHE will manage the public health response to possible, presumptive and confirmed cases of MERS-CoV infection in England. This plan is a threat-specific document to be used within the PHE IERP framework.

2. **RECOMMENDATION**

2.1 The PHE EPRR OG is asked to approve and **AGREE** the response plan in order that it can be implemented. The plan has already been agreed by the PHE EPRR Delivery Group and comes to the PHE EPRR Oversight Group for final endorsement.
