

PREPARING SCOTLAND GUIDANCE

Preparing Scotland is a set of national guidance documents to assist Scotland in planning, responding and recovering from emergencies.

It is made up of a 'Hub' which sets out the philosophy, principles and good practice for emergency response in Scotland, and 'Spokes' that provide detailed guidance on specific matters.

Preparing Scotland publications are subject to [Crown Copyright](#). They are updated in line with best practice and lessons from emergency exercises, live events and research.
