CABINET OFFICE BRIEFING ROOMS

---

EXERCISE CYGNUS

Actions arising from a meeting on  
Thursday 20 October at 10:50  
in LGD04, 10 Victoria Street

---

1. **Public Health England** to confirm to **Cabinet Office** the latest figures on total and projected cases and deaths to be included in the next CRIP.
2. **All departments** to review the proposed legislative and regulatory measures to support the operation of key sectors and identify any additional easements needed in their respective sectors ahead of the Ministerial COBR.
3. **All departments** to contribute to the paper on Excess Deaths Management process in the areas on which they lead ahead of the Ministerial COBR.
4. **Public Health England** and **GO Science** to share modelling on the projected use of antivirals with the **Devolved Administrations**.
