**Subject:** List of CCPB work being set aside due to staff resources - apart from CCG(NI) RP workstreams

[redacted]

Further work would include:

- Annual CCPB lecture at MOD UK Ops Training – CCPD provides lecture to multi-agency training day which is part of a MOD UK Ops training course which is opened up to civil contingencies partners across NI
- CO Evacuation and Shelter Policy Group – NI involvement in CO group – DfC and Local Gov also involved in expert working groups and they need TEO guidance if they are to stay involved

This may become our version of the contacts list – never ending additions!
