[12/06/2020, 18:31:45] Martin Reynolds: Hannah's leaving drinks next week - can we discuss handling!

[12/06/2020, 18:32:13] Lee Cain: Yes - not sure how we do it but want to do something

[12/06/2020, 19:01:04] Martin Reynolds: Is it safer to do a larger event indoors but with some people carrying on outside afterwards?

[12/06/2020, 19:20:53] Lee Cain: I'm not sure it works at all to be honest, which would be a shame. I don't see how we can have some kind of party though

[12/06/2020, 19:23:27] Martin Reynolds: So are you saying nothing for her?

[12/06/2020, 19:24:10] Lee Cain: I think it's your decision my friend, not mind! But it obviously comes with rather substantial comms risks!

[21/06/2020, 08:32:09] Lee Cain: Can you pls send the dial in details for this morning - thanks

[21/06/2020, 08:33:09] Martin Reynolds: Switch are dialling people in so we will add you in

[21/06/2020, 08:33:17] Lee Cain: Thanks

[26/06/2020, 11:49:14] Lee Cain: What's happened in the garden now?

[26/06/2020, 13:30:16] Martin Reynolds: Two groups had drinks in the garden until about 9.30 and my primary concern is around the fact they disturbed the PM and potentially CX - one group was 6 or 7 the other 8 or 9 so not a disaster but not ideal. So I thought time to send a message.

[26/06/2020, 13:39:24] Lee Cain: Ah, probably wise

[02/07/2020, 19:31:03] Lee Cain: Can we have a knock pls
