The Mayor of London is not required for the COBRA today but the PM has asked that a separate meeting is arranged with SoS MHCLG. Their office will be in touch.

Hi Clare - following reports COBRA will meet again tmw re Coronavirus, the Mayor's view is that he should attend this meeting, given the potential impact on London and Londoners. I know a request was declined for him to attend the previous meeting, but given the increased spread, we feel it is even more appropriate he be there tomorrow. Can you let me know please - and thanks v much, [Name](#)
