You can't have him without Street, Burnham et al or is London more important than Manchester

We discussed at the 8:15am meeting, general view from the room is that there's an argument for him being there.

To be discussed at the COBRA pre brief with the PM. Imran - can you text me when you have a decision so I can let them know?

Hi Clare - following reports COBRA will meet again tmw re Coronavirus, the Mayor's view is that he should attend this

meeting, given the potential impact on London and Londoners. I know a request was declined for him to attend the previous meeting, but given the increased spread, we feel it is even more appropriate he be there tomorrow. Can you let me know please - and thanks v much, Name
