**Re: Module 2 of the UK Covid-19 Public Inquiry
Request for Evidence under Rule 9 of the Inquiry Rules 2006
Reference for Request - M2/SAGE/01/DAC**

Dear Mr Suter

I attended one SAGE meeting to help assist to answer a specific question. This meeting was the 84th SAGE meeting on Covid-19, held on 25 March 2021. I was invited to the meeting because of my role with the National core studies immunology program.

I feel that this limited involvement means I cannot effectively comment on the questions you raise. Note an accurate record of the meeting I attended is available in the minutes of the meeting.

Yours sincerely
