To what extent have you investigated preparations for something terrible like Ebola or a flu pandemic?

Please ensure we take a risk averse approach to funding preparations in the SR  
I'm going to dig into this plus bioterror

**OW** **Owner of the cell phone** 25 Jan 2020 4:31 PM +00:00

Yes. We have full plans up to & including pandemic levels regularly prepped and refreshed. The CMO is an epidemiologist by background. We are stress testing again now. It is in our top tier risk register - and we had an SR bid even before this

**DC** **Dominic Cummings** 25 Jan 2020 4:33 PM +00:00

Great

**DC** **Dominic Cummings** 25 Jan 2020 4:33 PM +00:00

Am reading about CDC and preps for flu pandemic. V worrying

**OW** **Owner of the cell phone** 25 Jan 2020 4:36 PM +00:00

Yes. We are about to evacuate British nationals from Wuhan. They say vaccine for WnCoV is at least a year away - I am pushing them very hard on that
