Subject: Readout: Social care paper meeting 14 April

Hi all

Short note from the meeting below with some actions on the plan and comms.

Thanks

[NR]

SofS social care paper call, 14 April 2020

- Ros updated that we have agreed with NHSE and local govt wording on discharges in light of CMO testing wording. A lot of work to operationalise, looking at getting nursing staff to take swabs in care home. SofS said we need to ensure the nurses are in PPE or have been tested. MS(C) noted the wording on whether testing is on admission or discharge is a bit confusing. **ACTION: team to clarify wording on testing.**
- PPE - need to clarify position for social care and team are talking to PHE on a risk based approach; [NR] flagged we need a sensible translation of the PPE strategy for social care. SofS said we need to include a drumbeat of delivery and [NR] said the plan was to put in continuing LRF drops whilst working up Clipper solution. **ACTION: SofS was content but said we need to ensure MHCLG on board, team to confirm at official level.**
- SofS raised the ADASS letter. **ACTION: Team to take into account in drafting.**
- On branding and comms, [NR] confirmed we have had confirmation on use of brand in strategy. She noted a submission is coming to ministers on lanyards and updated that an app will be ready by end of the month.

- On deaths data, Ros noted a note is coming up to ministers on this.
- Stakeholder management: testing and protecting care homes will be seen as a positive step. MS(C) meeting regional DAS's tomorrow [Name Redacted] noted the LGA are not lined up yet but will be in good place.

ACTION: MS(C) office to set up call with [Name Redacted] as part of her stakeholder engagement.

ACTION: Team to put together call list for ministers as part of overall comms plan by close today. SofS was wondering if he should call [Name Redacted] let us know if you think helpful and we'll put time in diary.

ACTION: SpAds to check with no.10 comms re timings (e.g. is it briefing at midday and published at 5pm for press conference?) and **DHSC comms** to speak to No.10 counterparts in parallel.
