

Not to be public

↳ French national - other countries
limited practical info

Testing - WMC

① Early next week expand
sentinel to enough GPs to
reach 1m

② Hospital testing

• Contact tracing to continue

↳ Sunday.

→ It helps

All Education authorities

Reinforce measures

Ad- More localised measures

~~that~~
If we move - will want
schools to continue to open

↳

Gold Command

28/09/20

- FM $\rightarrow$ up to date comparison re faster / slower.
As up to date as possible.

$\Downarrow$ 17-24 year olds sig. driver -
need to prevent them speeding
further whilst suppressing other rise

$\Downarrow$ Q how much is 17-24 speeding

//
Approach to escalation & circuit breaker

- $\hookrightarrow$ Needs need work
- $\Rightarrow$ Theoretical approaches
- $\Rightarrow$ Need mapped against personal
leaves.

//
Circuit breaker - define the components
- all / some.

Have to take public health package &
work out wider economic / social
impact $\Rightarrow$ mitigations $\Rightarrow$ UK wide needs.

• Circuit breaker - balance sheets

↳ How do we make maximum.

• Targetting?

» Don't focus on circuit breaker to exclusion of other points

⇒ Should we keep remaining students

@ home / test before arrival.

CMO ⇒ Purpose of CB

a) longer term slow of curve.

b) limit seeding.

Are there early steps

1 Stop students

2 Re-impose 2m in retail

3 Oct - travel restriction ⇒

⇒ Communication up to circuit breaker

Longer term forecast ⇒ young people moving

PH Societal impact ⇒ Brief required
↳ keep giving re workplace

⇒ navigate economy - avoid blunt instrument.
↳

FM No promises -

FM ⇒ starting point - how do we reduce impact & spread of Covid w/ minimal econ. impact.

Political tactics - calling for things we can't do to force it.

⇒ College students ⇒ where do they fit in the picture.

ASAP (Weeks). III

5th Oct - roll forward - confirm on Thursday.

• Self-isolation req ⇒

• Financial

• Other Support

Covid

• Winter doordrop

• Can do actions re compliance.
