Hello,

Following today's COBR, the Home Secretary has requested that the following groups also be added to the list of key workers:

- **Charities and workers delivering key frontline services** (similar to the current '*staff crucial to the delivery of front line service*' in the National and Local Government section) - e.g. volunteers/workers in domestic abuse refuges.
- **Key tradespeople** - e.g. mechanics, gas engineers, plumbers, etc.

Happy to discuss further.

Thanks,
