Thanks for letting me know so quickly [redacted]

I don't think there's anything we can do about the date actually – especially as the invite has literally this second gone out to the LRFs! I guess if you've already arranged to speak at the 09 August TC it's not the end of the world though. I'll let 'people' here know – if there are any issues, I'll get back to you.

Hi [redacted]

Sorry, I'm on leave from 10 to 30 Aug. Any chance it could be organised before then? Also, I had arranged to brief the LRFs on the DCLG teleconf on 9 August. Would this overlap?

Thanks

Hi both

I hope you're well.

I just wanted to invite you to an Exercise CYGNUS LRF workshop on Friday 12 August, 10:30-14:00, at Skipton House (details TBC). The purpose of the workshop is to discuss the 'exercise logistics' and address any issues the LRFs have with exercise design etc.

From the recent LRF planning TCs, it would appear that some LRFs still have a few Comms and Excess Deaths related questions. So rather than dragging you to all of the workshop, we were hoping that you would be available for an hour (13:00-14:00) for an encore on Comms and Excess deaths?!

If you could let me know if you're able to make it, that'd be great – and I'll get an invite sorted for you.

If you have any questions, please let me know.

Thanks
