Matt, understand you want to set up cobra for tomorrow. Are you happy that I contact Cab Sec office on logistics.

Natasha Price 22 Jan 2020 2:35 PM +00:00

Being clear that you will chair.

Owner of the cell phone 22 Jan 2020 2:44 PM +00:00

Yes - me in chair and CMO as lead official

Good chat with Liam just there on capital baseline. Gets the argument that a £1bn CDEL cut is nuts and not in the space they want to be in. He did mention that they want to sort a lot of the Capital stuff cross-Govt in the SR, but knows that we need to sort baseline out for the budget

Matt, am told Sedwill has text you direct - he's not keen on a COBR tomorrow. **NR** emailed some advice over but want to check how much you want me to push.

We are expecting the Mail to run another prominent story as part of their ongoing MMR campaign – this could be the splash at some point this week (subject to wider developing news stories inc. coronavirus which could obviously push it back). This is based on a new poster campaign from NHSE in every GP surgery
