

Minutes of the meeting

1 Review of actions from the last meeting

1.1 Actions from the 31st and 32nd NERVTAG COVID-19 meeting were reviewed

1.2 Matters arising –

Action 33.1 - DHSC to establish, in the event of a Public Enquiry, what would be the division of responsibilities of support for NERVTAG members between DHSC and the SAGE secretariat.

	Item		Action	Status
31/3	NHS Test and Trace	31.2	<i>PH to consult with Angela McLean to capture SPI-M data requirements for Test and Trace and then compile with responses from NERVTAG members into a formal request letter to Susan Hopkins from NERVTAG and SPI-M</i>	Ongoing – PH to send response to Susan Hopkins
32/1	Long COVID	32.1	<i>All to send questions/comments on PHOSP-COVID to the NERVTAG secretariat for compilation and forwarding to CEB and DHSC.</i>	Complete -no further comments were sent via the Chair or secretariat in addition to those mentioned in the meeting
		32.2	<i>PH to consider what value NERVTAG can add to the topic of Long-COVID</i>	Complete - the committee had given feedback to DHSC indicating that they were content with the work that was going on in the PHOSP-COVID study
32/5	Preparation for a Public Enquiry	32.3	<i>PH to circulate to members the document on 'document control in preparation for a Public Enquiry'</i>	Complete - shared with Members on 28/09. It was noted that there was still a related, outstanding action for DHSC to establish what would be the division of responsibilities of support for NERVTAG members between DHSC and the SAGE secretariat. This will be put back on the action list.
32/7	Surveillance reports	32.4	<i>PH to discuss with JVT NERVTAG's opinion of the message coming out of the PHE study on the interaction of</i>	Complete – before the press conference on Monday 28 September
