	identify opportunities for workers to be redeployed into critical areas.		
	Make sure that local authorities can still provide emergency, temporary and sheltered <b>accommodation</b> to those who are in need.	LAs to ensure sufficient emergency, temporary and sheltered accommodation places are available. <i>Measures tbd</i>	
	Support for the <b>homeless and most vulnerable in society</b> to ensure their health and safety, and that they can self-isolate.	MHCLG to measure beds for homeless people to ensure their health and safety and that they can self-isolate.  New interventions (from police, social workers etc) for those identified as vulnerable at home (e.g. to domestic abuse, child abuse, modern slavery).  <i>Measures tbd</i>	
<b>Transport and Borders</b>	Make sure <b>public transport</b> continues to run effectively to allow key workers to get to work, and mitigate risks to the road and rail networks, airports and ports so they continue to function properly allowing vital supply chains to flow uninterrupted. This will require a prioritisation process.	Agree which transport to protect to ensure key workers can get to work. <i>Measures tbd</i>	
	Consider the <b>flow of people at our borders</b> , including risks to supplies, the need for possible prolonged increased checks on movement of people, worker sickness rates, and mitigations.	Maintain flow of people and flow of goods at UK borders. <i>Measures tbd</i>
