I can do the visit if you want, but you are the **◆◆** however, you will be spending your weeks travelling all over the U.K. if you start doing this

We can't put whole towns and villages with extremely low R rates in lockdown (our voters) and deprive those people of work and family bcse of the behaviour of non compliant communities

Can't believe they haven't done the work!

It's political. Andy Burnham Will not agree nor will any of the MPs or any of Oldham leaders. They will be locking down their voters and setting ours free. We have to be seen to be doing the right thing or the red wall seats will start to crumble. Next issue is what powers we have to impose this should they refuse

OW

Owner of the cell phone 20 Aug 2020 9:54 AM +00:00

we can impose

I've spoken to Philip Davies - he is not happy it didn't happy this week - but happy there's a process. I told him that given he's got a veto, it's actually very good for him
