Subject: For approval: Domestic abuse covid comms submission

Attachments: Domestic Abuse covid communications submission 7.12.20.docx

Hi Azita **NR**

As per conversations last week with NR, please see attached a domestic abuse communications submission for the Home Secretary and Victoria Atkins to review simultaneously. The submission covers plans to run further #YouAreNotAlone communications over the Christmas period and in early 2021 whilst the Covid-19 tiered restrictions are in place. We are bidding for funding to cover this activity from the Cabinet Office.

We would be grateful for approval by Friday 11th December in order to get activity live as soon as possible this month.

Thanks,

NR
