

Out of date period

[04/06/2020, 15:43:07] Michael Gove: How did the rest of the strategy committee go?

[04/06/2020, 15:46:54] Rishi: Surprisingly fine I think. Not sure what we actually decided but felt positive. Need to press home. And watch this enforcement thing, by which DHSC seem to mean every shop being pre-verified to open!

[04/06/2020, 16:20:26] Michael Gove: I think I have a compromise

[08/07/2020, 20:27:13] Michael Gove: Well done today! Absolutely brilliant

[08/07/2020, 20:27:49] Michael Gove: Can we talk – if you have a mo – about borders and the UKIM bill?

[15/09/2020, 18:09:47] Michael Gove: Dear Rishi – I know you're incredibly busy do hesitate to ask – but shall we have another catch-up soon? Drink, tea, breakfast, whatever?

[17/09/2020, 18:37:45] Michael Gove: Dear Rishi

So sorry to trouble...

On the Isolation Support Payment question

I support the overall idea strongly

I think the proposal to route money through LAs is a mistake

And I cannot accept any scheme that is not U.K.-wide...

Can we talk?

All v best

MG

[17/09/2020, 19:58:36] Rishi: Sure, pls call

[11/11/2020, 13:20:06] Michael Gove: Hope all well! Do you want to speak in advance of tomorrow's meeting with PM? All v best MG

[21/11/2020, 16:28:25] Michael Gove: Are you open to linking testing to access to mass events?

[21/11/2020, 16:29:08] Michael Gove: Eg in a high tier area you can access theatres etc if you are clear?

[21/11/2020, 16:34:38] Rishi: Yes am open to using it to incrementally open MORE activity. If we let them, businesses will grab the opportunity and do it themselves!
