

Irrelevant & Sensitive

[07/04/2020, 18:12:57] NR CDL, NR is collecting your box from us at 6.30 so it should be with you around 7, thx NR

[07/04/2020, 18:48:35] Michael Gove: Thavk you!

[07/04/2020, 19:11:56] ~ NR CDL, just sent over the ventilator slides for this evening's call. Will you be dialling in? No need for you to, so no worries if not.

[07/04/2020, 19:12:31] Michael Gove: Thank you – I've just been talking to Lord A – won't be on the call tonight

[07/04/2020, 21:14:11] Henry Newman: Hi CDL and private office. I've moved the call with Welsh FM to 1030. Luke G has confirmed with them

[07/04/2020, 21:14:50] Henry Newman: Hope that's acceptable

[07/04/2020, 21:17:56] Michael Gove: 🍊

[07/04/2020, 21:18:22] Michael Gove: Is there a case for 4-way call instead?

[07/04/2020, 21:20:41] Henry Newman: Will check. But there was no case for an 8am call

[07/04/2020, 21:21:18] ~ NR I think we could offer a 4-way, as if you speak to WG first you'll have to speak to the rest separately. It might mean the time would slip back depending on DA diaries.

[07/04/2020, 21:21:31] ~ NR We can pick up with Luke and the teams but hold 10.30 for now

[07/04/2020, 21:53:45] Steffan: CDL – Simon C has just emailed you and Mark with his initial views on NSV. As well as your overall steer on the shape of the work (looks typically excellent), I think it would be worth considering how you and Mark can help drive this across Whitehall and beyond (some things may be usefully driven through GPS, but we can probably get cracking with most of it with you, Mark and No 10's support – he'd suggested earlier that Oliver L was in a similar place). [07/04/2020, 22:09:03] Henry Newman: Think all quite sensible. There must be a series of quite small simple things which will make a huge difference. I was struck on prisons call how far HMPPS are going to ensure all new releases have a bank account on release and are linked into U/C. Felt a long way from c2015 M0J

[07/04/2020, 22:15:43] Steffan: CDL – I asked Simon if there were specific things you could do to help. He suggested:

1. talk to Matt Hancock and get him to agree at his level that he is comfortable with NHS volunteers being used for NSV tasks
2. Talk to Priti Patel to ask her for a plan on domestic abuse. Knowing how H0 works, if she asks the dept, we might get further than us asking officials directly. She is obviously on it already. The answer probably lies in H0 providing extra funding to existing charities and support groups for this period. Given the highly specialised and sensitive functions, I don't think we can do anything new

[08/04/2020, 08:07:52] ~ NR CDL, I've sent you over the
