OFFICIAL-SENSITIVE

Hi Nia,

GCSA has asked that we touch base with your team to ensure Peter is aware of the current Wuhan Coronavirus HMG response.

As you should be aware there was a Precautionary SAGE held on Wednesday 22nd January, the minute for the meeting is attached.

Today a COBR(M) took place and it was decided that devolved administrations would go through their respective devolved CMOs as they will be liaising directly with the UK CMO, Chris Whitty.

Should you need any help or further advice please let us know.

Kind regards,

SAGE secretariat
