

INTRODUCTION

This report is on a strategic, multi-agency, table-top exercise. The exercise was held on 3 March 2020.

In the context of the UK response to COVID-19, the exercise was commissioned by the Chief Executive of Public Health Wales and the Chief Constable of South Wales Police.

It was jointly designed and delivered by Public Health Wales, South Wales Police and Welsh Government.

For the purpose of this report, at the end of the exercise a debrief was held. Participants were asked to write answers to and discuss the following questions:

- i. *What aspects did not go so well?*
- ii. *What aspects did go well or could be identified as good practice?*
- iii. *What observations or recommendations should be acknowledged or implemented?*

The recommendations and observations of this report are based on the debrief.
