Hi All

Please find attached

- Updated Agenda for Meeting tomorrow
- Letter from Roz to 

NR

 on creative sector
- Notes of 3 previous meetings
- Procurement brief

Please note that we are receiving an update from officials on BME stats and the approach to phasing. To help keep to time I have included the points on aviation and creative and heritage sectors in the report on actions section. This is not to prevent the points being made but to keep some coherence in the agenda and to keep us running to time.

NR

Please note I am expecting an update on aviation in the actions section.

Roz will flag our creative sector letter but if you could follow up on heritage points. I will speak to you separately about choreography for that letter.

Best  
Helen
