Matt, we still don't have supply numbers from BEIS.

OW **Owner of the cell phone** 22 Feb 2021 3:36 PM +00:00

Just got off the zoom with the team. The numbers are coming. Meanwhile I understand Nicola Sturgeon has just announced you are moving away from the JCVI classification. Do you have any details on that?

JF **Jeane Freeman** 22 Feb 2021 3:45 PM +00:00

On what?

OW **Owner of the cell phone** 22 Feb 2021 3:46 PM +00:00

Those with mild & moderate learning disabilities

JF **Jeane Freeman** 22 Feb 2021 3:56 PM +00:00

Was done at lunchtime briefing. I'll get you detail

JF **Jeane Freeman** 22 Feb 2021 3:56 PM +00:00

And apologies for not alerting all in advance

OW **Owner of the cell phone** 22 Feb 2021 3:58 PM +00:00

Not your fault - Can't believe you weren't consulted!

**Jeane Freeman** 22 Feb 2021 3:59 PM +00:00

CMO agreement to include those with mild or moderate LD in group 6. NB though I think you know this, our unpaid carers group is also wider than green book because we have used definition in our Carers Act.

**Jeane Freeman** 22 Feb 2021 4:00 PM +00:00

Hmm not sure either you or I are always totally consulted Matt!

**Vaughan Gething** 22 Feb 2021 4:01 PM +00:00

We are going to be in essentially the same place on LD and agreeing the carers group. I don't think it's a problem.

Look forward to seeing the supply numbers sent to our officials.

**Robin Swann** 22 Feb 2021 4:04 PM +00:00

We've opened to carers yesterday, bookings through the roof, although we have difficulty defining a carer.

**Owner of the cell phone** 22 Feb 2021 4:04 PM +00:00

How do you plan to answer all the other groups who will now ask for prioritisation?

**Jeane Freeman** 22 Feb 2021 4:14 PM +00:00

Robin we can send you our Act definition if that's any help? Matt, what other groups? Only ones I'm aware of are some asthmatics and we're waiting on any JCVI view and sectoral groups and while not public yet, JCVI are clear below 50, it's still age.

**Owner of the cell phone** 22 Feb 2021 4:17 PM +00:00

We get asked endlessly from important groups asking us to break the JCVI order. We always say that we still by JCVI as it saves most lives. This break with JCVI obviously make that harder...
