[16/09/2020, 21:34:24] Jane Runeckles: You couldn't see anywhere near enough sea, far too much sand.  
[17/09/2020, 07:20:37] Helen Lentle: Guidance this morning??

[17/09/2020, 07:39:08] DylanMH: I assume he means Regulations. About time we got rid of that meaningless distinction. The rule of law is so 1990s. I see Sky thinks these things get done for the UK...  
[17/09/2020, 09:00:29] DylanMH: The case for Helen becoming the new CMO for Wales is getting stronger by the day as for the second time in a week Chris Jones decides to give legal advice.  
[17/09/2020, 09:24:16] Helen Lentle: What??  
PS you can call me Frank.  
[17/09/2020, 09:39:28] DylanMH: Will copy you in  
[17/09/2020, 10:47:37] Jane Runeckles: Chiropractors and sports massage wasn't in the 'medical services' list were they?  
[17/09/2020, 10:48:06] Jane Runeckles: Terrible English. Sorry!  
[17/09/2020, 11:05:58] Terry Kowal: Chiropractors yes, sports massage no not expressly but possibly considered to be "other medical or health services"??  
[17/09/2020, 11:08:39] Jane Runeckles: Thanks  
[17/09/2020, 11:16:59] DylanMH: Yes we talked about this at the time and concluded that latter probably ok. There was a further issue too though about holistic therapy and stuff like that which was probably not ok.  
[17/09/2020, 12:04:07] Jane Runeckles: Thanks.  
[17/09/2020, 12:23:24] DylanMH: <attached: 00003271-PHOTO-2020-09-17-12-23-24.jpg>  
[17/09/2020, 12:25:15] Neil Buffin: Well of course there will also be chlorinated chicken to look forward to.  
[17/09/2020, 12:40:53] Helen Lentle: We may all be dead by then so no chicken will be required...  
[17/09/2020, 13:39:10] Jane Runeckles: Can supermarkets sell alcohol after 11pm (if they are 24 hour?)  
[17/09/2020, 13:43:30] DylanMH: Depends on the terms of the licence is the legal answer. Not sure what the actual practice is - did try to find out but didn't get anywhere. Will try again.  
[17/09/2020, 15:14:23] Helen Lentle: Have RobO revealed his big news yet??  
[17/09/2020, 15:29:48] Jane Runeckles: ?  
[17/09/2020, 15:35:09] DylanMH: The 'important information' from Sage  
[17/09/2020, 15:35:32] Helen Lentle: That what Fliss said then. Lockdown.  
[17/09/2020, 15:35:39] Jane Runeckles: Fliss just said they recommend a short national lockdown. We are all ignoring her.  
[17/09/2020, 15:36:05] DylanMH: 2 week thing in the papers that Johnson completely denied?!  
[17/09/2020, 15:36:24] Helen Lentle: Yes of course.  
[17/09/2020, 15:37:26] Helen Lentle: Don't mix houses and stay home for 2/3 weeks and shut restaurants and bars and personal services and gyms.  
[17/09/2020, 15:39:35] DylanMH: They're definitely doing that in England?  
[17/09/2020, 15:40:07] Helen Lentle: Sage are recommending it nationally i think she said.  
[17/09/2020, 15:40:23] Jane Runeckles: She did.  
[17/09/2020, 15:42:53] Neil Buffin: Have you seen David R's comment?  
[17/09/2020, 15:54:12] Neil Buffin: Yes we are. WFH if reasonably practicable  
[17/09/2020, 15:55:11] DylanMH: JHN making that point  
[17/09/2020, 16:43:01] DylanMH: 'If you expose yourself to too many people you're probably going to break the rules' true enough...

[17/09/2020, 18:22:46] Helen Lentle: Jane can you speak about supermarket booze now please? Can I give you a quick call!. Won't take 5 mins.  
[17/09/2020, 18:32:04] Jane Runeckles: Yes  
[18/09/2020, 06:05:42] DylanMH: Christ...  
Nomads 'turned blind eye' to ill players - boss Morrison

[15/06/2021, 11:52:03] Jane Runeckles: Lovely.

[15/06/2021, 12:43:36] DylanMH: Neuadd Pantycelyn 1995 (the year after I left). Sitting next to Llŷr HG MS's sister funnily enough. Jonathan Edwards, Plaid MP not the evangelical triple jumper, also in the photo.

[15/06/2021, 13:20:40] Jane Runeckles: Do we have a lawyer called [NR] Do I know him?

[15/06/2021, 13:22:30] Helen Lentle: Yes I do. He's in LS. Why?

[15/06/2021, 13:23:22] Jane Runeckles: He was the trainee of one of the people taking the course I'm on.

[15/06/2021, 13:23:40] Jane Runeckles: She was just asking about him and I didn't recognise the name.

[15/06/2021, 13:24:41] Helen Lentle: Small world. He's in our Food fisheries and marine team (was in Environment). You don't get involved with fish I take it?

[15/06/2021, 13:25:18] Jane Runeckles: Doesn't sound like much of a political priority does it?

[15/06/2021, 13:26:44] Helen Lentle: Well you may say that Jane but it would be if all the chip shops shut and ministers got grief and full post bags.

[15/06/2021, 13:27:01] Helen Lentle: And it's so in the climate change space!

[15/06/2021, 13:27:34] Jane Runeckles: I did realise as I typed that that my [Irrelevant & Sensitive] would be furious with me!

[15/06/2021, 13:28:44] Helen Lentle: I suggest you sit quietly and reflect on your glib fish comment...are you now 2/5 of a mediator?

[15/06/2021, 13:34:51] DylanMH: It's not widely known but in the late 80s [NR] shot at one of the Spanish trawlers that was subsequently involved in the 'Factortame', supremacy of EU law, litigation. Did a short stretch in Swansea nick.

[15/06/2021, 13:36:52] Jane Runeckles: It would surprise me!

[15/06/2021, 13:37:16] Jane Runeckles: Not quite. I haven't done my practice mediation yet. That joy awaits me this pm. I'm a bit scared.

[15/06/2021, 13:37:38] Jane Runeckles: As you all know, lawyers intimidate me greatly!

[15/06/2021, 13:39:21] Helen Lentle: Don't make me laugh!!! 😊🙄🙄😂🙄 my sides hurt I'm laughing so much at the intimidated comment.

[15/06/2021, 13:41:18] Helen Lentle: Still laughing.
