

- Lockdown plan- Reg and team to prepare first cut so that we are ready either to respond to UKG or move separately

3 measures to potentially include in step-up package to be signalled tomorrow with implementation from Thursday:

- Caravan parks – agreed to move early to close caravan parks – probably using powers in CV Bill. Direction required from CMO – his advice required first. Probably exempt those where the park is main domicile. LS to advise further on powers, Reg to speak to police and LAs re enforcement.
- Footpaths – in principle decision to announce (GM and LS to advise on powers.) Need to inform Las (Reg) and National Parks
- Pubs – announce action on enforcement of regs made on Saturday – probably designate LAs to enforce through licensing regime, with loss of license as potential penalty. Reg to alert Las.

Other decisions

Cllr Andrew Morgan, WLGA leader to join the CV Core Ministerial Group on Wednesday morning (FM office/Will Whiteley).

A local authority Chief Exec to be seconded in to support LA related activity and ensure effective comms with Leaders and Chief Execs. (Reg)

Copied to all Private Secretaries and Special Advisers: please ensure Ministers are aware ahead of Cabinet tomorrow.

Thanks
