[19/05/2020, 20:19:52] Helen Lentle: Sorry my phone went flat during the meeting. Wasn't ignoring you!

[19/05/2020, 20:50:53] DylanMH: Some familiar comments here. England shouldn't have done what they did without testing, track and trace being in place.

[21/05/2020, 11:01:18] DylanMH: Me too

[21/05/2020, 11:02:21] Helen Lentle: Have left now. Meeting with CG.

[21/05/2020, 11:11:00] Jane Runeckles: Sounds horrendous wherever you were. If it's any consolation, my day is equally awful!

[21/05/2020, 11:40:01] DylanMH: Guidance. An hour of our lives we're not getting back. We've said this before but I think we as an organisation are getting less and less focussed as time goes on and more people get involved.

[21/05/2020, 18:25:15] Helen Lentle: Jane - get back in this call if you can!!

[21/05/2020, 18:25:50] Jane Runeckles: Is it that bad?

[21/05/2020, 18:28:58] Helen Lentle: It's not Clare's fault.

[21/05/2020, 18:30:57] Jane Runeckles: Sorry I'm having a completely ridiculous and frustrating political trauma ahead of a meeting that Mark is about to join. Once I'm in that I can come back to you.

[21/05/2020, 18:36:21] DylanMH: I'm going to have my tea

[21/05/2020, 18:36:39] Jane Runeckles: Oh god

[21/05/2020, 18:37:48] DylanMH: Reg is ignoring our advice

[21/05/2020, 18:39:44] Jane Runeckles: Oh god

[21/05/2020, 18:40:42] Helen Lentle: It's not going well.

[21/05/2020, 18:41:44] Terry Kowal: What is this meeting about again?

[21/05/2020, 18:42:12] Jane Runeckles: Aaaahhhh

[21/05/2020, 18:42:17] Helen Lentle: It's about Reg not wanting to do something that may be different to what he wants.

[21/05/2020, 18:43:20] Neil Buffin: Hope you haven't got a chicken in the oven this evening.

[21/05/2020, 18:43:37] Terry Kowal: I've got cottage pie waiting

[21/05/2020, 18:43:55] Helen Lentle: Curry in the fridge. So all is fine. Will we be able to clap for NHS do you think???

[21/05/2020, 18:44:13] Helen Lentle: Turn the pie down Terry.

[21/05/2020, 18:44:28] Neil Buffin: Otherwise it'll be bothy pie

[21/05/2020, 18:44:34] Terry Kowal: I can see us missing Xmas at this rate!

[21/05/2020, 18:44:59] Terry Kowal: A vernacular joke - excellent 😊

[21/05/2020, 18:45:09] Helen Lentle: I seriously have no idea where we are going.

[21/05/2020, 18:45:15] Jane Runeckles: Oh god

[21/05/2020, 18:45:41] Jane Runeckles: I can't escape the other trauma

[21/05/2020, 18:45:55] Helen Lentle: You had a lucky pass.

[21/05/2020, 18:46:10] Jane Runeckles: I bloody didn't.

[21/05/2020, 18:48:23] Terry Kowal: Sturgeon on TV now saying you can't legislate for every circumstance, need to ask public to exercise judgement

[21/05/2020, 18:49:29] Helen Lentle: Reg hates us all and doesn't want another discussion...

[21/05/2020, 18:50:22] Jane Runeckles: Do you want another discussion?
