

**NOTICE OF DETERMINATION**  
**CORE PARTICIPANT APPLICATION**  
**MODULE 6**  
**LOCAL GOVERNMENT ASSOCIATION**

**Introduction**

1. In my [Opening Statement](#) on 21 July 2022, I explained that Modules would be announced and opened in sequence, with those wishing to take a formal role in the Inquiry invited to apply to become Core Participants for each module. On 12 December 2023 the Inquiry opened Module 6 and invited anyone who wished to be considered as a Core Participant to that Module to submit an application in writing to the Solicitor to the Inquiry by 19 January 2024.
2. On 16 January 2024 the Inquiry received an application from the Local Government Association for Core Participant status in Module 6. This application was made jointly with the Welsh Local Government Association and the Association of Directors of Adult Social Services. This Notice sets out my determination of the application.
3. The Inquiry has published the [Provisional Outline of Scope](#) for Module 6, which states that this module will examine the impact of the Covid-19 pandemic on the publicly and privately funded adult social care sector (the “Care Sector”) in England, Wales, Scotland and Northern Ireland. Further modules will be announced and opened in due course, to address other aspects of the Inquiry’s Terms of Reference.

**Application**

4. Applications for Core Participant status are considered in accordance with Rule 5 of the Inquiry Rules 2006, which provides:

*5.—(1) The chairman may designate a person as a core participant at any time during the course of the inquiry, provided that person consents to being so designated.*

*(2) In deciding whether to designate a person as a core participant, the chairman must in particular consider whether—*

*(a) the person played, or may have played, a direct and significant role in relation to the matters to which the inquiry relates;*

*(b) the person has a significant interest in an important aspect of the matters to which the inquiry relates; or*

*(c) the person may be subject to explicit or significant criticism during the inquiry proceedings or in the report, or in any interim report.*

*(3) A person ceases to be a core participant on—*

*(a) the date specified by the chairman in writing; or*

*(b) the end of the inquiry.*

5. In accordance with the approach set out in my Opening Statement and the Inquiry's [Core Participant Protocol](#), I considered whether the application fulfils the requirements set out in Rule 5(2) in relation to the issues set out in the Provisional Outline of Scope for Module 6.

## **Summary of Application**

6. The Local Government Association ("LGA") ("the Applicant") is the national membership representative body for local councils in England, and all but 2 English councils are members of the LGA. The Applicant applies for Joint Core Participant ("CP") status, along with the Welsh Local Government Association and the Association of Directors of Adult Social Services. The Applicant applies under Rule 5(2)(a), (b) and (c) of the Inquiry Rules 2006.
7. The Applicant states that Councils played a critical role during the pandemic, and in particular in adult social care, as Councils have statutory duties under the Care Act 2014 to promote people's wellbeing. Councils worked closely with providers on staffing issues and managing the movement of staff, providing a pipeline of PPE to providers, giving advice on visiting and giving advice and action on infection prevention and control.

8. The Applicant states that it worked with Government and Whitehall, national partners and councils on adult social care during the pandemic. The Applicant liaised with councils to understand the challenges in adult social care, and provided feedback into the national decision-making process, in particular to the Department for Health and Social Care. The Applicant helped find local solutions, for example PPE pipelines, ensuring changing government guidance was understood, helped with the movement of staff, distributing Infection Control Funds and agreeing their use locally.
9. The Applicant states that there are some issues where Councils may be cast in a negative light, such as support to care providers, use of Care Act easements and the discharge of people from hospitals to care homes without testing.

### **Decision for the Applicant**

10. I have considered carefully this application and having done so, I have decided to designate the Applicant as a Core Participant in Module 6. The application is based on having played a direct and significant role in the matters to which Module 6 relates (Rule 5(2)(a)) and a significant interest in those matters (Rule 5(2)(b)).
11. Module 6 will consider the impact of the Covid-19 pandemic on the publicly and privately funded adult Care Sector in England, Wales, Scotland and Northern Ireland. It will consider the impact on people's experience of the Care Sector, the structure of same, the key decisions in respect of the Care Sector and the management of the pandemic in adult care and residential homes, including discharge, IPC, testing, availability of PPE, use of DNACPRs and changes to the regulatory regime.
12. I consider that the Applicant played, or may have played, a direct and significant role in the Care Sector's response to the pandemic, satisfying Rule 5(2)(a) of the Inquiry Rules 2006, I am also satisfied that it has a significant interest in important aspects of the matters being investigated in Module 6 and thus also satisfies Rule 5(2)(b). The application was made jointly with the WLGA and ADASS and it is on this basis that I designate the Applicant as a Core Participant.

## Legal Representation

13. Applications for designation as the Recognised Legal Representative of a Core Participant are governed by Rules 6 and 7 of the Inquiry Rules 2006, which provide:

6.—(1) Where—

- (a) a core participant, other than a core participant referred to in rule 7; or
- (b) any other person required or permitted to give evidence or produce documents during the course of the inquiry, has appointed a qualified lawyer to act on that person's behalf, the chairman must designate that lawyer as that person's recognised legal representative in respect of the inquiry proceedings.

7.—(1) This rule applies where there are two or more core participants, each of whom seeks to be legally represented, and the chairman considers that—

- (a) their interests in the outcome of the inquiry are similar;
- (b) the facts they are likely to rely on in the course of the inquiry are similar; and
- (c) it is fair and proper for them to be jointly represented.

(2) The chairman must direct that those core participants shall be represented by a single recognised legal representative, and the chairman may designate a qualified lawyer for that purpose.

(3) Subject to paragraph (4), any designation must be agreed by the core participants in question.

(4) If no agreement on a designation is forthcoming within a reasonable period, the chairman may designate an appropriate lawyer who, in his opinion, has sufficient knowledge and experience to act in this capacity.

14. I am satisfied that the Local Government Association, ADASS and the Welsh Local Government Association have jointly appointed Thelma Stober of the Local Government Association as their qualified lawyer in relation to this Module. I therefore designate Thelma Stober as the recognised legal representative for the Local Government Association, ADASS, and the Welsh Local Government Association in accordance with Rule 6(1).

15. Directions will be given in relation to applications for an award under section 40(1)(b) of the Inquiries Act 2005 of expenses to be incurred in respect of legal representation, at the forthcoming preliminary hearing. I will determine any such applications in accordance with the provisions of section 40 of the Inquiries Act 2005,

the Inquiry Rules 2006, the [Prime Minister's determination](#) under section 40(4) and the [Inquiry' Costs Protocol](#).
