Indeed – I would also have assumed that DCMO clearance was sufficient...

It would clearly be simpler if Michael issued the advice, but there we are.

Chris,

You may wish to be aware, Michael McBride sent additional tracked changes for the sub but they only came in after the sub had issued.

As Naresh had cleared the sub I issued it.

I didn't pick up the changes until last night. They don't change the advice, simply add further explanation on a pandemic. Changes attached.

Ironically, this confirms the rationale of why DoH should lead on the subs.

I did send it to him as a draft but Naresh gave approval for it to go.

Just thought you should be aware. Michael wishes to clear all further subs!

Bernie
