

Hillsborough, around about 7.30 or so (come earlier and we're serving canapés to all sorts of loyalist elements!). Just about to take off, but perhaps you could let me know - if needed Nark L or Jonathan McA can fill in more details

Noted thanks. Happy to be involved if needed.

Hi Chris, not sure if you got my message. Mark Larmour would welcome a quick chat. Happy to discuss first if you wish. D

Could you forward Mark's number please.

Thanks, I'm on the Tube but should be free to talk in about an hour's time if you wish.

Calls and texts not returned. Then finally got an invite to the 7.30 meeting at 7.40...Mark then wisely decided to leave it until the morning. Focus on PFG tomorrow afternoon.

Well-organised as always. I'd been told earlier they may hold a PFG plenary at 3.00. I should be back

Bilaterals now to be after plenary.
Bilaterals this morning on PoC
etc.

Plenary now 4.00pm. Home by
midnight probably.

Ffs! And then five
bilaterals? How long is
each bilateral supposed to
last?

Ah, sure we can wrap them up
quickly if Sue brings an abacus.
