

Special Meeting - Recovery 22-7-20

PM Intro - Sp Note.

dfm Important - in person
Strategic conversation - move forward
into recovery
Necessary pushing out important
Breakneck speed - pandemic
Economy.
2nd wave - preparations
Get back to normality.
Brexit.
Draw breath - strategic think-in.
Kick start.
Don't always agree - but have
in common - make society good
place to work
NDNA, PFG
Need whole system approach.

PM PFG + COVID-19 Recovery

sp note

DFI

[]

Slide 7

Don't understand [].

DO'S

[]

Focus on COVID for rest of year.
Frame in PFG
~~Not~~ Alignment with PFG.

Criticism of []

Emerging issue.

NDNA

Into next PFG.

DFE

Accept []

PFG

COVID

Will be

Economic recovery - shd not
limit to COVID.

Put NT on good trajectory

Hydrogen

New avenues for progress

Faster, quicker - as well as
responding to COVID.

New things to grasp.

PM

Hydrogen story - Batteries
from China - if have own
hydrogen supply, don't need
to import batteries.

DFE

Public services more efficient,

DE

Shd be looking at []

- if COVID hadn't been there,

Hydrogen

whole issue of [constructing].

Link in with careers

Normal circumstances

Youth unemployment -

DOF

Response []

Economic Recovery

Ready for next year - Ptg.

Beyond this mandate.

Agreement for immediate response
- next 9 months; then beyond.

DOH

COVID part of what Dept does -
always in background.

How other depts respond.

DAERA

Economic Recovery - environ-
mental issues

Work from home - transport.

Governance

Staff - working from home.

Health - flexible

Some people who shd have come
didn't come; some who shd
not have come did (health
service)

PM

Staying at home - impact on
high st - task force? cross-
depts.

DOJ

Challenge

Repurposing the high street -
people will not return to previous
role

Check products + then order
online.

Not realistic - don't like shopping,
have been online for years.

FM With DFE - clicks + bricks.

DFE Repurposing
Allocation - Invest x11 -
all our futures
High St
much better in lockdown than
[]
Allocated small budget - retail
stores / small business online.
Sustainable.
Companies
Craigavon - horrible

DAERA Proper shop!

DFE Not many companies [].

DFI Try to get back to [].
High St - city centres -

FM Need wider conversation - High St
Task Force.

DOJ Socialize shopping
Not essential purposes.
Shop online
Pre Christmas buzz.
Live in town centre, shop in

town centre.

Online

Look online - then go + see in shop.

Real piece of work to be done.

AFM

Need to analyse properly.

Grasp opportunities now - don't go back to way things were
favour Option 3

- act now, align with PFG.

If we don't have ourselves in
headspace for change, will revert
back to where we were.

DOH

Timeline - PFG.

Piece of work []

PM

Agree recom? (Yes)

HOCs

Didn't envisage Option 3
excluding []

Recovery plan to include
beyond COVID...

Slide Presentation

AFM

HOCs to speak

HOCs

~~slides~~

Objectives - ~~slides~~

Context

commit^m to PFG

Manage way through this phase.
Money won't last forever - finance
review in Autumn - transition out
of pandemic - challenging.

- Impact of COVID

- Data to understand
- Maintain data sources.

- Key Principles

- Whole of Govt
- Engaged - citizens

- Approach to Recovery

3 broad pillars

- Economic
- Health
- Social

specific workstreams.

need to be flexible

- Challenges / cross-cutting themes

collaborative work

prioritization

choices - difficult

have been focused on short term
need longer-term view.

- What is Recovery

Short

Medium

Long Term - vision, transparent
services - better than
before.

- Workstream Objectives.

Not set in stone - first cut

- Agree broad approach, then firm up.
- Reasoning
 - Challenging
 - Prioritization
 - Reasoning (human)
- Governance
 - Outcomes focus
 - Cross-dept recovery group.
 - Co-ordinate - cross dept working
 - Report regularly to Exec.
 - Scouting.
- Next Steps
 - Education
 - Health / Social Services
 - Regular sit-reps
 - Regular Exec consideration.
- Agree approach in slides?

DE

Overall recovery - OK
Issues

Careful - not waiting for particular reports

Inter-connectivity of issues - school, childcare

Barriers to economic recovery.

Transport - education impact.

Learning COVID lessons - balance

- personnel change / focus on

COVID - NNA - long-fingered.

SEN pupils.

Reaction / process

Ed restart - critical

never-ending relay - going

in circles

NDNA commit^m on [-]

DFE [] economy.

NI

Increase by []

PM

Year on year?

DFE

-35, -26

significant figures.

300,000 -

Building sectors

Return from furlough

lot of people still on furlough -
have not found way back into
economy.

Economy needs [] in NI.

Don't want to be so focused
on COVID recovery, we don't
take other opportunities

- Digital economy.

Bring balance

Don't forget new opportunities
V challenging place.

Focus on new opportunities,

Re-address skills imbalance

Challenging budgetary situation
Working with officials - skills
imbalance

Redress balance

How to get young people to this

re skills from Primary School?

Open apprenticeships - reskill people of all ages.

* Bring paper to Exec shortly.

Don't want narrow focus on COVID.

DOH

Recovery

Major piece of work - reshape health estate.

Triage, Technology, realign^{ing} of services.

External pressures - "doing by back door".

Health service already under pressure / understaffed before COVID.

[2]-year plan

Every Min is Health Min - impacts all areas. - foot in every camp.

Fortunate - focus on health in past few months, but need to focus on economy / social.

dfm

Can't work in silos

DFC

Recovery - crucial long term

eg

NDNA

social

JMK

[]

In terms of oversight, HOCS [:
Manage^m / operational control

HOCS

No-one irreplaceable

Process to find my replace^m
— complete by Sept.

Will put arrange^m in place.

Authority — comes from Wint,
Exec prog

Officials' work to meet Wint's
Needs

Regular reporting — opportunity
for Exec to direct.

✓ much official, SPADS +
Wint working together — will
continue in future.

JMK

Success

Anthony Harbinson

Involved in [ECG]?

Various scenarios

Brexit

Recovery

Review to factor in operations

[] or purely governance

Short / long term approach?

Draft?

Recovery

O/all — Andrew's work?

HOCS

Lessons learned report —

will come to mins.
Inform develop^{ment} of sitrep.
Info on regular basis.
Providing data - future basis.
Make sure reports are regular,
provide info to manage recovery.
Develop in line with mins' wishes.

FM

Weekly sitrep is welcome - will
allow^{us} to make decisions, react in
real time.
Road deaths higher in lockdown
than previous years.

DFI

[I

FM

Thought figures were wrong.

DOJ

[I.

Recovery plan - comes.

DOJ

SPQF

Not all in our control

Reduce social distancing - I'm?

Genuine challenges

Prioritize.

Keen to ensure

Bigger problem [I under-
manned

Prison system

Isolate 14 days.

Not under obligation to [I.

Recovery

Tribunals

Courthouses - don't allow []

Challenges ahead.

Before crisis - objectives to []

Lost benefit

Recovery helpful

Recognition -

Prison Officers' time

Eliminate []

Technology

Positives + negatives

Tribunals

Response to issues

DPE - ref to working from home
technology

Incubator system - Stranmillis
programme website.

Teachers / kids

Time to learn languages

Access to computers - not equal
for all pupils

Technology in schools.

Need to be careful

Financial hardship

Genuine needs - some people
never in that position before.

No income at all for months.

Will need help.

Sensitive.

DFI

Mental health

NCT
Connectivity
Multiple
Huge opportunities
x Paper on Recovery

DFM Today - just start of conversation
Ongoing - bring forward papers.

DOF COVID
Recovery
Exercise
Discussion
£100 m
End of year
Focus - recovery.
Discussion with Treasury
Capital
Reprioritization - June
June Monitoring - got v little
back.
Difficult
Hold on to Jan.
Exec needs hard discussion
[I
Opportunities for future.
[I necessary
Prior to Exec - No Deal Brexit.
Boorders
Planning
Exercise in various depts - on
shelf.

Immediate intervention

Economic intervention - £300 m.

How to reshape traditional
Industry

Sense of how we []

Not mentioned in economic recovery

FM

Need to step back + look at econo
Rebalance

Have stepped back from manufactu
Invest NT - tool to deliver our
strategic route.

Manufacturing - repurposed to
produce PPE - look at this
approach as way forward.

Look at NDA / Brexit.

Range of things to link

COVID, recovery, etc - all linked

How to achieve economic growth
- reinvigorate manufacturing.

What do we want to achieve for
next 10 years - not just next
election

Short / medium term

DPE

4 main areas

Supply chain

Interventions - national level.

How can exec liaise with national
govt to support local companies

✓ encouraging

MPV face masks - some compar

v innovative.

Invest NI - proposals for []

Help to prepare for next phase of development

Bel Telegraph yesterday.

dm

Useful to have Invest NI to give presentation.

Council

Engage^m Forum - LRSA.

Collective way forward.

Start of what we need

Way forward.

People agreeable to short, medium
+ long term - will beef out.
