

Doh/CMO yes.

dPwL

Students travelling home for Xmas

Limited credibility with public because of last week.

Open close contact tomorrow, close again next week will be picked apart - colleagues view?

Allow to open tomorrow - Doh / CMO / CSA views.

Pm

Planning for circuit breaker, starting 27<sup>th</sup> Nov.

Allow people to open better to let businesses open for a week, then 2-week circuit breaker.

Doh

Will be harder to ~~be~~ not open tomorrow

2-week circuit breaker

dPwL

I am v concerned, can we say - everyone working next 2/3 weeks - get us through Xmas?

Pm

Important to give clarity re 11 Dec

DOH

Restrictions from 27 Nov - one best shot at Xmas.

CMO

Has to be [ ] action.

Our last chance to get to other side of Xmas, not overwhelm health service

Refocus efforts, lot of pain in next few weeks, need max gain

DPE

Why homesteads in reg's not guidance?

DOH

Putting into reg's [ ].

Guidance

JR - initial reg's

Send stay at home reg's - best until [ ].

DPE

x Step too far - putting home in reg's - police monitoring.

PW

For us to decide - proposal from DOH.

DPE

Step we shouldn't take. Want people to help, co-operate.

Reg's - police cd monitor when you come + go from home.

DPI

Sympathy with DPE view  
Influx of shopping - last 3

weeks before Xmas - need to manage situation.

Financial support - Xmas v busy, bigger losses if closed - compensate?  
Messaging - need to be clear  
Households - how to sharpen thinking on that.

SWK

Concur with work, sympathy -  
opening for one week, close again.  
Need not to confuse people.

Cautious - will be v tight for people,  
shock at decision.

much tighter circuit-breaker than previous - need to avoid stampede  
11 Dec, Xmas blow-out -

Thanksgiving in Canada - outbreak,  
community transmission.

Need agile communications +  
messaging - undo all good work  
by New Year

Work to do - engaging sectors,  
- hospitality, retail - will be  
impacted, no expectation in  
non-essential retail.

DASRA

Football - loose dressing room,  
problem.

Public will be appalled.

Compressing 5 weeks into 3 -  
crowded shops.

Why keep off-licences - pre resta

for off-licences - prescription  
alcoholics.

Greatest problem - alcohol.

Unlogical - close hairdressers, close  
contact, keep off-licences open.

Will cause carnage, businesses will  
go to the wall.

Deeply unhappy

Unhappy with GPs - 82% OK

We need to put our house in  
order - stop asking small  
businesses, hairdressers to go on  
half pay.

PM DOH, dFWI - comments in chat.

DOS Bubbling.

We don't refer to support  
bubbles in guidance - only  
support bubbles.

e.g. plumber for essential purposes  
- need clarity on bubbles.

DOH Current status quo on bubbles.

X Schools + childcare to remain  
open.

emo

[ ]

No more than 2 households

Detail up to Exec.

Outside [ ]

Tough + challenging 2 weeks

2 households

Fm Golf, fishing

CMO Only 2 weeks - socializing  
in club house  
Fishing - outdoors, solitary.

CSA fishing [ ]  
Golf - outdoor, contact  
low risk  
Stronger signal if not allowed

CMO OK for fishing, not golf.

Fm Fishing OK

DH Fishing seasons?

DPE ✗ Leaving house / stay home - rays  
✗ Impact on businesses - many  
do not know this is coming, have  
bought in stock.  
Seasons position for retail outlets  
hoping to sell stock before Xmas.  
✗ Furlough - might make for  
shops, cash flow  
Physiotherapists to stay open?

DH Yes

FM

27 Nov 2 weeks

- all retail except essential  
(close)

⇒ need "to be defined"?

No

Closure of close contact, not motor-cycle.

Incl sports therapeutic

Hospitality closed

Stay at home - guidance or reg's?

DOE

Guidance - reg's over-step.  
Increase visibility of police -  
social distancing

PM

Stay at home - guidance  
- liaison with PSNI.

Financial package over next few days.

Student travelling - need to address.

Off-licences?

DOL

Last time - some of them part of wider stores - mostly to close part of stores, ~~etc~~

Dedicated off-licensed closed,  
open in supermarkets.

DE

Tesco -

off-licence - self-contained unit.

DOL

Can't tell people they can't have wine  
Fateful - fall into Welsh trap  
- wd' be like prohibition

PM

DOT Risk of shebeens.

DE Wine, but not communion wine,

DOT We have ribena - preservative.

DAERA  $\times$  2 weeks - not prohibition,  
alcohol - biggest driver of spread.

Drive coach + horses through science.

DOT Loneliness - that's leading to breaking rules. Bigger driver than

dPM March - Women's Aid advised - anger by abuse, better to keep off licensed open.

DAERA  $\times$  Scientific advice

Household spread 0.3(0.4)

ROI - huge spread - household

Why close hairdressers - less spread?

Not compliant with science.

FW Added livestock markets - welfare of cattle OK? Yes

dfw Instead of 'churches' say 'places'

of worship'

Fm OK.

DfE leave home only for work /  
essential purposes - England -  
can leave for exercise.  
Prescriptive.

Fm leave out? - other refs to 'stay at  
home'.

DfE careful of mental health --  
leave home for exercise

Fm Take out 'essential, work' etc.

DfE Walk - v important.

DfT Desire - strong stay at home  
- leave - work, essential purposes  
+ exercise.

DfE Strong stay at home message

Fm Strong stan ..  
work from home if poss, leave  
home for exercise - as often

DfT "if possible" - unclear.

CWQ looking at earlier - variation

in response to 'stay at home':

- expand to incl exercise, health care, education.

FM

Both officials to look at, + bring back later in meeting.

### Hot Food Grants.

DE

Relates to this year - hot hunger - children. Exec has supported provision.  
longer term issue.

This paper - certainty for Xmas, half term, Easter - rest of Assembly term.
