Just a note to try to explain changes.
Chris Stewart has had to self-isolate and is working from home.

Anthony Harbinson has come in to cover Chris' duties.
NI Hub is being set up. Staff are coming in on a daily basis and we should know this week who how many and where from.

Unfortunately at the minute I do not have a clear understanding of what exactly is happening and I appreciate that your team are seeking clarity.

I will try to capture a comprehensive list this week and when I know advise what exactly the arrangements are.
At the minute I am a one person Hub and all of the issues relating to COVI-19 are moving at pace.

I trust that in this emergency I can do my best to keep you and your team informed as soon as I know.
Bernie
