Subject: FW: Daily engagement with FBOS re COVID measures.

Importance: High

As of Monday 25th May we require each OV to complete the table below on a daily basis. The reasons for this is to ensure that the FBO is engaging with you, on a daily basis, and keeping each MIT informed in the interests of ensuring your safety.

This is something that Trade Union Side are supporting and it has also been agreed with the FBOS. We appreciate that it is another admin task for yourselves but the purpose is to ensure the FBOs are actively engaging.

Please complete the following simple table each day and return a copy to vphttp.post@daera-ni.gov.uk, and also CC to your respective DVO.

Date	Site Name and approval number	Name of OV making the report	I confirm that the FBO has informed me today of their current absence rates due to Covid-19 symptoms / positive tests, including notification if any of these staff have been working in proximity to the MIT, and any changed procedures /advice (Y/N)	Details of Covid-19 related issues for escalation to DVO
