

Mtg with Health / DFM 9am. 1/12/20

Mtg took place last night with DE & DFC.

What is aim? - keeping R below 1 & sustaining health service.

Graduated response in relation to hospitality.

Behind - open.

Chances ~~of~~ opening on 11th. Some of small chances.

Evidence of reduction of transmission - Slowing after 1st wave.

No where near what we achieved in wave 1 - not sure impact.

Still hope to open up after 11 get beyond Christmas. A little head room will begin to relax.

Additional restrictions not yet but when.

Significant sectors closed after Christmas.

More hosp opens to get to risk.

Nursing homes - Care partner approach
- advice on visiting out from home

Mitigate risk etc. Pure or clinically extremely vulnerable.

Now way to safely to that ie have Gary out of front many have but can give guidance.

Retail reopen on 11th - no of people in shops & guidance.
Queues o/s social distance

If after Christmas R at 1.6 will need severe restrictions.

Immunity doesn't kick in until 5 wks after vaccine.

Mass testing - SAGE - reduce prevalence of virus of 20%.

Compliance gap embryonic - Retail & later hospitality

Retail - council guy in to advise?

SAGE - need to be informed approach.

Primacy of Health advice & then fit industry in.
