

# **COVID-19 RECOVERY GROUP**

## **TERMS OF REFERENCE**

**29 JULY 2020**

### **Purpose**

The strategic advisory and co-ordinating group for the recovery phase of the COVID-19 pandemic, providing the Executive with advice and data to enable the Executive to take effective decisions in leading a recovery process that is joined up across the whole of Government.

### **Role**

- To develop and oversee delivery of the Executive's overall Recovery Framework/ Plan.
- To ensure that relevant stakeholders are involved in the development and implementation of the Framework/ Plan.
- To establish appropriate workstreams as required.
- To produce an evidence-based status report on how recovery is progressing.
- To co-ordinate the recommendations and actions of workstreams, monitoring progress as necessary.
- To monitor funding as required/agree success criteria and timescales.
- To deal with other recovery related issues that fall outside the scope of the workstreams.
- To ensure the co-ordination and delivery of consistent messages to the Executive, general public and media.

### **Membership**

Standing membership will comprise:

- HOCS (Chair);
- Departmental Workstream leads; and
- TEO Secretariat.

Additional attendance from experts and external contributors as required (eg Local Gov, PSNI, Other ALBs, etc)

### **Meeting & Reporting Cycle**

Fortnightly initially
