Chris

I've just seen this note of the COBR meeting. I can now partly understand why MoH might start asking why we aren't replicating many of these actions here.

Can you give some thought to what we might do short of fully standing up the Hub, perhaps drawing on the No Deal preparations, in anticipation of pressure from MoH.

We should discuss after I finish PAC tomorrow (4.30 onwards) or in the morning if really urgent.

David
