Our ref – SUB-1735-2020

Date: 4 August 2020

Dear David

Please find attached the considered advice and recommendations of the CSA and CMO and their current estimates of rates of community transmission which I would ask that you urgently bring to the attention of relevant Ministers for the Economy, Education.

While such decisions are ultimately a matter for the Executive, as Minister for Health I would urge a precautionary approach at this time and a pause in any further relaxations at this time in order to allow our schools to safely reopen.

Personal Data

Robin Swann MLA
Minister for Health
