

Staggering schools up to Easter.

Transmission issues.

Over 50s by mid April.

Will continue with business support for an extra month —

Wales — Ken. Skates.

Recovery plan.

SME clusters — advanced manufacturing.

Food industry.

- Maren Str —

Priority to school.

- Allowing outdoor activities.

- Cities & towns

Largest cities — large falls — slowest to come back.

Smaller towns. office workers

= women - at risk. Retail.

- smaller towns - revert to weaker positions.

- repurposing of existing buildings.

- public transport.

levelling / town centres fund.
today. - further announcements
today.

Services - mutual recognition.

- reopening essential.
- position of Easter & May bank holiday — will mean further intervention funds
- events.
- travel agents / tour operators
- Appropriate notice for reopening.
- alignment of restrictions legislation etc.
- risk assessment. Why different parts of economy open before others.
- communication.
- demand stimulation.
- importance of NI — coming out of restrictions before R&I.

Name Redacted

- sustainable opening.
- framework for reopening.
- certain elements of restrictions will remain for a while.

- most accepting that May is
the most likely opportunity.

- staycation.

- GB - good opportunity.

- Skilled staff leaving industry

Name Redacted

- able to maintain connectivity.

- GB market: staycation opportunity

- Visit Brit.

- Tourism Ireland / GB strategy
group.

Name Redacted

- 1.4 billion of hospitality turn
over lost

- furlough.

- June - business futures & job losses.

Huge potential to bounce back.

- tourism - skills needed -
industry for forward planning.

na

DPD

Level of complexity.

Demands of system rigorous & inflexible.

More cost.

Data that is required from customers.

No flexibility or easement

Delays.

Huge numbers returned

Name Redacted

System

25,000 entries per day.

7,000 - come in per flight.

- time delays.

Easement - to allow parcels to flow.

- Custom - East Midlands

- BIA - routed!

- Dublin - wait time 4 hours.

- at risk
- vat deferrment duty.
- Current system requires too many variables. particularly.

Excise & At Risk.
↳ pet food | wine.

impaction consumers
Businesses in UK.

Charles Nelson — Whistli

↓
Royal Mail - delivery.
High volume | untracked. | lower value.

↓
Many customers simply will not send
parcels to NI.

'easier to send to Beirut the Belfast'

- more cost.

Name Redacted

NI - 3rd party country.

HKRS - Customs Declaration System

International Clearance House for
NI. Could not make systems
compatible.

Not clear that CDS operated
by HKRC will be ready for 1st April.

Raised by Lord Agnew.

Amazon - 100 trucks GB → NI -
per week
- still selling vast majority
of goods.
- products on 'at risk'

e-commerce - more important ~~now~~
for people's lives than ever.

NR

- opposing closure of scheme.
- poultry + mushroom - industry.
- decarbonisation.
- poultry borden CIB/NI.

- Keep scheme open as same tariff as QB.

- 300 members - poultry farmers with boilers.

2019. tariff decrease.

- tariff - for closure + compensate.

- are current EHI participants excluded from any new scheme?

NR

- difficult to get current participants into new scheme.
