Subject: Advice re Public Inquiry preparation (26.8.210)

Dear all,

As agreed during Friday's PSS I raised the proposed letter during my subsequent meeting with FM and dFM special advisers. They were supportive of the approach in terms of preparatory work outlined and content that the communication was provided in that regard to Perm Secs, with caveat that no decision on approach (UK vs local) had been agreed.

Peter, let me know once the letter has been updated.

Thanks

Jayne
