

Darlan
Heenan

- reviews demonstration (exp energy plan & surge plan)
- Work on center on next revision guidelines. Done and meeting with POC/John & Keith Minton.
- \$4,000 2 part of intent in volunteer
- puller on testing; panel of PPE; semi complete key; restriction of his own center
- community body & could training key
- want to visit a convention in London

Costs Lys - PPE for case homes

- Oxygen supplies

Subrep

Jim Berlin 3/4/20

July strategy is not getting ready for post surge 1 - so community body is ready.

Will then need to work hard to identify any outbreaks.

Sp to Michael McBride, R. Tong.

May next need to learn a capex; thought this.

Colin Davis 3/4/20

20% off land rate PWC

61 cost (July + ached + interest)
Lp cost at 1/2 and rate.

To annual with details
