Michael/Declan

The 'R' paper along with the weekly mobility report issued to all Executive Ministers as usual yesterday. Minister Poots has asked for further clarification on the 'R' number see comments below.

Grateful for advice.

Thank you

Minister Poots has seen and read the attached and has commented:

So what is R?
How can a range of 0.45~0.95 be qualitative science?

Subject: Draft R paper

NR

Draft R paper for Ministers.

Given comments at the Executive I have again proposed the inclusion of the comparative ONS table this week.
