Chris,

The Exercise/workshop went very well. The planning and execution was excellent.  
I will do a short note covering it in more detail. Three key points emerged;

- there is a need for communications clarifying roles and responsibilities and in particular the NI Hub;
- opportunity to simplify, streamline and harmonise the key players to enable working in collaboration; and
- further (minimal) workshop/ seminar training is required to help educate interested and willing key players.

Overall, a very informative and worthwhile event for CCPB for the future.

Bernie
