Subject: FW: Coronavirus single point of contact

TMG colleagues,

Please note that the Department's Emergency Operations Centre (EOC) has now been activated.

The email address and telephone number provided below will ensure a 'single point of contact' in the event that you are in receipt of any queries.

EOC for the present will be operational on a 9-5 basis with on-call arrangements applying thereafter. This will be kept under review.

Michael

Dear Colleagues

Please note that the Department's Emergency Operations Centre (EOC) has been activated. The email address and telephone number provided below should be shared with relevant stakeholders to ensure a 'single point of contact' and that information both in and out of the Department is managed appropriately.

Should you require any further clarity please call into the EOC or contact us on the number below.

To see. This is the update from DoH going to DHSC. Should DoH Health Gold get copied into this from now on?

Thanks

Hi Naresh and Gillian

As discussed here are the figures for reporting. I am laying these out at "in the last 24 hours" and "cumulative to date". The Lab in Colindale is reporting these figures by region and DA and since they are reporting on what is going through the labs this may be where there is a difference between cumulative (what we look at) and last 24 hours (lab focus).

- I. Numbers of people being tested in the last 24 hours - 0
- II. Numbers of tests completed in the last 24 hours - 0
- III. Number of cases confirmed in the last 24 hours – 0

- IV. Numbers of people tested in NI since the start of the outbreak - 1
- V. Numbers of tests completed in NI since the start of the outbreak - 1
- VI. Number of cases confirmed in NI since the start of the outbreak - 0

Regards
