

6/4/2020.

Executive

First pt of shipment

700,000

FP3 Masks - 4 wks supply

Aprons.

SSO stock pile.

*

Putting someone in place re oversight of
Imports.

Tower Block @ City Hospital - Patients
into in on Friday night. Very short
turn around.

CMO - here on testing paper.

* 1.3M Goggles - 8 wks.

1.4M face masks - 1 wk.

Naomi - is PHE just for health or wider
distribution - This is a health allocation

Conor - Health dept is lucky after hospitals
hit social care.

150,000 visors per wks. New Blinds.

Dept of Health London - Subs
O'neills Gowns

R-Swiss looking at audit company looking at distribution of PPE.

Nicola - up PPE supply lines

Testing Paper. - WMC in progress
4 wmc periods til WMC 16.

Phased across health & social care.

Peak in cases week after next

CMO.

antibody tests -> weeks old
validation of test.

Still issue with tests being reliable

feasibility of reagents locally?

Mix of different platforms - afbi
different to Trust labs & different type
of reagents.

Nicola

Community testing

Debie +

Debie. Timescale for testing

Edwin

deaths only in hospital are being captured

People who are old hospitals

Testing will continue throughout year.

May see 2nd wave in Autumn.

Randox Tests - our needs kept here

Many have guidance

Now ready to be signed

SIT Test:

SSE Testing facility opened at weekend

Paul Peters delivery begins this week

PSW looking at behaviour at weekend
- Need good capture at weekend.

Ferris issues biggest issue

DP.

Engagement Team - HSE - after Messin
increase but has fallen back
Employer bearing responsibility, HSE
PHA Work & Engagement with Trade
Unions.

Air connectivity - deliver soon.

Daen.

— Plish Meet very bright in

Price of milk has collapsed.

Need a significant package for Agri - 10m
have asked Govt about this.
Pressing UKg to come up with goods
but in absence of that

Abortion

2.4 Ministerial code - significant or
controversial issue.

BoTs.

- Issue not covered in Westminster guidance
try to adhere or advance at the time

Loq -

surprised for different reasons that it
is very fund.

Weir.

Ag advice - ultra vires

DEM.

— didn't need to come to Exec:

Swann.

— 5 pty exec - is significant & controversial
Ag's letter shows that.

Didn't know what BoTs were going to be until
10 days ago

Déirdre

agree with Naomi / Michelle.

Naomi

Legal advice on the option

⇒ Options have been brought forward or need to deal with it. - 15, + the work? ✓
" up front consensus
close.

- Swann. → Sub Ctee.

- Hargreaves → need to make decision now.
go with option 2 with
amendment. Expended.

- Potts → Cross community.
X3.

Swann
against IIII
for I
abstain

Hargreaves
against IIII
for IIII
no vote I

Cross community support
not demonstrated

Health Minister

moves into his dept

- against IIII
- for IIII
no vote I

Cross community
support.

→ Ag.

Statement to Assembly by Duera.

Minister Mallon

Critical freight hubfore

Conference call with Shapps &
Bulmer series. we will know
how many

— follow up conference call we
know what UCC is doing

Duera → Edwin re haulage industry

that contract with ~~hauliers~~ series

Murphy → Shapps call re
airports

probably need consultation from
cruisers as well as HMT.

Naomi Agenda Item 8

Engagement with Ag.

Peter weir

and call for volunteers - widens
pool of people - direct educational
can also volunteer. Good work re access.
but DJ.
