Murphy

Hospice paper - come next week - work
is prepared. Covid allocation paper.

Bringing up issue of Edwin - sectorising and
✓ reproducible. Denied

Care Homes - Package to assist - financial
assistance - Testing
access to 'care partner'.

83 confined outbreaks low nos of
asymptomatic some however 6/7

Rapid testing initiative from phase 1 are being
put in place.

R paper - 7 day incidences growing.

	Today	1042 + test cases
289 inpatient	291	5 deaths.
32 ICU	33 ICU	
26 ventilated	30 ICU available	
17 available		

[95% occupancy]

- activity next floor in
tower block by 10.30

25

Significant decrease in 2 day/stay.

definite evidence inc is slowing & may be
to a plateau

Hospital admissions beginning to rise but hope seeing a

Peak v close to wave 1 in hospitalisations.

R is falling based on hospital inpatients 1.3

R for cases - 1. - +ve indicator of early impact.

Every pt of NI has incidence of over 100 per 100,000
wales anything over 50 \rightarrow highest level of restriction.

Lead in to extra capacity - from 0 in a matter of days.

local hospitals can inc by 1/2 in a matter of hrs.

Stuff/workforce issues - where we were at height of surge. If in full PPE turn off opp.

Reducing travel etc should reduce contact & picking up contact.

Graphs as a series of tweets - impact restrictions is having.

What v sm difference in R can make a big difference - 500 more positive cases.

Testing more than any one pt of British Isles

- Use period to look at behaviours around school
- Enforcement in return

NBNS - 95% of people in NI felt had rec'd enough info on how to protect themselves.

Education / Transport re bus mask wearing. School / public transport aligned for secondary school children. 1H.

Parents at school gates - Messaging civil responsibility (PHA) social distancing. Speaking to Purity organizers.

CNO

- effectiveness of information - mobility
Fri 16 - decreases 36% public
retail 20% transport.

Compliance with retail sector meets this morning. Reinforcing some of these measures. Day in + shift it into partnership approach. Local Govt → covid marshalls. Inspections & inspection notice.

EIS - event with retail next week.

Social distancing suffering from face mask wearing.

MON

Nursery home - vulnerable people need to learn lessons from previous wave.

Can't go into circuit breaker's time & again

Test, trace & isolate system needs in place.
