Subject: RE: Early minute of NHS 111 Discussion

Agree. I see no logic to removing COVID specific. This epidemic is a long way from being over.

Chris

Subject: FW: Early minute of NHS 111 Discussion

To warn you and CMO NHS111 want to remove covid symptoms and go back to general ARI.

NERVTAG very uncomfortable; I agree. We lose an important early warning system for a resurgence.

I have asked for a note from 111.
