

#### Exhibit 4: Transfers out of GRI ICU – March 2020 - June 2022

##### Transfer out of Glasgow Royal Infirmary Intensive Care Unit

Between March 2020 and June 2022, we sent 26 patients out for ICU care from GRI.

<5 went for extracorporeal membrane oxygenation (ECMO) to Aberdeen.

<5 HDU patients went to the Royal Infirmary of Edinburgh for liver centre input

6 went to the Neurosciences Centre, GGC for specialist care

<5 went to the Queen Elizabeth University Hospital (QEUEH) for ear nose and throat (ENT) input

<5 HDU patients went to QEUEH as a trauma centre.

Capacity transfers out totalled 11.

<5 to Royal Alexandra Hospital, <5 to Golden Jubilee National Hospital and 8 to QEUEH.

Not all had COVID.

Not all these ICU transfers passed through ICU – some went from ED or the Medical HDU.
